April 14, 2013: Third Sunday of Easter

Jesus said to them, "Come, have breakfast." And none of the disciples dared to ask him, "Who are you!" because they realized it was the Lord. Jesus came over and took the bread and gave it to them, and in like manner the fish.

From the Desk of Msgr. John

Congratulations to the 53 people who were confirmed by Bishop Fellhauer on Wednesday evening. Thank you to all who helped in any way to make the evening a beautiful celebration of the Sacrament of Confirmation.

Thank you to the Knights of Columbus for sponsoring the 40 cans for Lent and Tom Wick for introducing and taking care of the project. And, a special thank you to everyone who contributed in any way. The total collected was 1,940 lbs. (almost a ton) and \$1,724.00 in cash. This was given to the Manna Food Pantry to help the needy.

This weekend we are blessing those who are expecting a new child – a child in the womb. The blessing is for the mother, the father and the family.

Thank you to everyone who contributed to the Holy Thursday collection for the education of our seminarians. Your generosity is greatly appreciated, especially by the Bishop and the seminarians.

3rd Sunday of Easter – States and provinces regulate fishing seasons within their own boundaries. For some species, the fishing season is open all year long. For others, there is only a brief time that the fish can be legally taken. The season for sturgeon spearing in the upper Midwest can last just a couple of days depending on where the spearing takes place and when the limit imposed by regulation is reached. According to data collected in 2011 by the US Census Bureau, over thirty-three million Americans go fishing. In that year they spent nearly \$42 billion on fishing activities including trips, equipment, and licenses. The number of people going fishing jumped by eleven percent from 2006, making it one of the most popular outdoor activities.

Peter's fishing trip in this weekend's Gospel is not quite as involved as some trips that modern day fishermen might take. Since he was a fisherman by trade, he likely walked out of his house, grabbed a few of his buddies, and went out in the boat for the night hoping to make a good catch. While there was always preparation to be done (mending the nets, repairing the boat, etc.), from the Gospel story it seems that Peter's decision to go fishing was pretty spontaneous. It was near dawn when Jesus showed up and they caught a tremendous amount of fish.

Any avid fisherman is always ready to go out and fish. Once you're out there, it could be just the right moment to pull in a lot of fish. Like a fisherman, we never quite know when the moment may come to "catch" someone for Christ. As Christians, we always have to be prepared to tell the story of who Jesus is for us, not in any kind of "preachy" way, but by living our lives as kind and loving people. The witness that we give by our example is the only kind of net we need to attract others to the Lord. (2013 Liturgical Publications, Inc.)

ONE MILLION ROSARIES FOR UNBORN BABIES (A MULTINATIONAL PRAYER EVENT) COORDINATED BY SAINT MICHAEL THE ARCHANGEL ORGANIZATION

The multinational ONE MILLION ROSARIES FOR UNORN BABIES prayer event is scheduled for May 3 (Friday), May 4 (Saturday), and May 5 (Sunday). The Rosary will be prayed for the following intention: For an end to the surgical and non-surgical killing of unborn human persons. Please do for the unborn babies that which they cannot do for themselves: Pray at least one rosary from May 3rd-5th.

Saint Michael the Archangel Organization recently received registration forms from Nigeria, Canada, Malaysia, South Africa, Philippines, Romania, France, England, Argentina, Poland, Belgium, Netherlands, Spain, Australia, India, Venezuela, U.S.A., Guatemala, and Italy.

"One million rosaries for unborn babies will happen if enough pro-lifers are willing to make it happen," said Patrick Benedict, spokesman for the Saint Michael the Archangel Organization. "There is no government nor any other force that can stop us. Sadly, though, we can stop ourselves if a substantial number of us choose not to participate."

"The question is asked: Why should we pray at least one million rosaries for unborn babies? There are a number of answers, including the fact that the unborn babies have been the victims of the worst massacre in the history of mankind. Within the last 50 or so years, hundreds of millions of unborn human persons (and perhaps billions) have been killed surgically and non-surgically. And, it should be pointed out clearly: *This abominable crime continues to happen*."

"The One Million Rosaries for Unborn Babies prayer event is a time for the Church Militant to unite worldwide to engage in spiritual warfare against the culture of death. For young people, old people, and everyone else, the plea is made: *Please, pray at least one Rosary (May 3rd-5th)* for an end to the surgical and non-surgical killing of unborn human persons," concluded Benedict.

Additional information about Saint Michael the Archangel Organization may be found on their website at www.SaintMichaelTheArchangelOrganization.org.
