### **From the Desk of Msgr. John**

Congratulations to all of the young people of our parish family who participated in the Livestock Show. We congratulate those who placed in the various categories and those who did not place at the top but tried their best. This is a great way of learning responsibility.

This week we celebrate Catholic Schools Week. We are very fortunate to have a parish Catholic School. We have very fine public schools in our community as well. Having a Catholic School in the community gives Catholics the opportunity to give their children a well-rounded Catholic Education.

The main purpose in parents sending their children to a Catholic School is to receive a complete Catholic Education in an atmosphere where prayer is allowed and encouraged, where religion can be taught on a regular basis, where children can participate in the Mass and the Sacraments on a regular basis and where everything taught is Christian-based. The purpose of the Catholic School is not escape from something or someone, but to move toward overall Christian learning with the guidance and support of the Catholic Church.

I want to thank all of our teachers and staff at Sacred Heart School. They do a very fine job of educating the children here at Sacred Heart. They make many sacrifices, especially in salary, to teach here. They are truly dedicated.

I want to also thank the benefactors of the past and the present who have made our school what it is today and thank those who will help maintain it in the future.

Thank you to the whole parish for supporting and maintaining our Catholic School as a viable choice for Catholic parents to educate their children.
